5. The City Clerk presnted the following communication:

In order that the new council may have complete information as to the city's financial condition, and that all misapprehension, due to the uncertainty of the income tax and the extended delay in making up the 1913 budget, may be dispelled, I present for your consideration, the following statement showing all receipts and appropriations for the fiscal year beginning January 1, 1913, together with the unappropriated balance now at the disposal of your honorable body:

Credits

City tax roll.....	\$265,525.15
Estimated miscellaneous revenue	105,012.17
Income tax roll	115,113.10
<hr/>	
Total	\$485,650.42

Debits

Deficit, Jan. 1, 1913.....	\$ 4,849.07
Budget appropriations to departmental accounts resolution of Jan.7, 1913	372,300.99
Dredging appropriation resolution of March 4, 1913	5,000.00
State and county income tax	13,520.27
Income tax contested and unpaid	19,150.54
Income tax offset by personal property, tax receipts, and coupons.....	50,564.88
Income tax cancelled by state tax comm.....	330.12
<hr/>	
Total	\$465,715.87
Unappropriated balance available for improvements	19,934.55
<hr/>	
Total	\$485,650.42

So much erroneous and misleading information has been publised concerning the benefit to the city from the income tax, that I desire at this time to indicate to your Honorable

Body the exact results of this source of revenue.

The total income tax roll as certified to me by the county clerk was \$115,113.10.

In the budget for 1913 I estimated the city's share of this amount after deducting all offsets allowed by law, at \$44,000.

The actual amount received was \$31,547.29, but this does not take into consideration the \$19,150.54 of unpaid income taxes which are now being contested in the courts and on which final decisions will probably be had within a few months. If the courts hold these taxes valid and collectable, a condition which at the time the budget was made no one could question, the city will receive 70% of the amount or \$13,405.38, which in addition to \$31,547.29 already collected, will make the city's total share of the 1912 income tax \$44,952.67 or \$952.67 more than the budget estimate.

Respectfully submitted,
LESLIE M. FOWLER,
City Clerk.

On motion of Ald. Stoffel same was received and filed.

6. His Honor the mayor presented the following list of appointments:

In accordance with the powers conferred upon me by the Charter and Ordinances of the City of Racine, I hereby appoint the following members of the Board of Education to serve full terms and to fill vacancies to be created May 1st, 1913:

Commissioner at large, Herbert F. Johnson, 1725 Wisconsin Street.

Respectfully submitted,

W. S. GOODLAND,

Mayor.

On motion of Ald. Bell same was received, filed, and the appointment confirmed.

8. His Honor the Mayor presented the following message.

"At the beginning of a second term as Mayor, I approach the duties and responsibilities of the office with a deeper sense of obligation to the people and, if possible, with a more earnest desire to serve them well and faithfully. The knowledge gained by two years of service, has, I believe, given me a broader view of the city's needs and, I hope, will enable me to render better service than in the past.

"I sincerely hope and desire, that each one of you will join with me in an honest effort to transact the city's business promptly and efficiently and with the sole object in view of doing that which you believe will redound to the greatest good of the people who also have expressed their confidence in you. This I believe each of you will endeavor to do.

"The emoluments of office are not enough to inspire any citizen to aspire to either the office of mayor or alderman. The basis of service therefore, must necessarily be a patriotic desire to serve well the city and our neighbors. With this foundation for our labor, it should not be difficult for us to work in unity for the accomplishment of those measures that will best serve the people and contribute the most to the development and growth of our splendid city.

"There is much to be accomplished. We are already several months behind in the work of preparation for the coming year, and it behooves us to act quickly. We should lose no time in perfecting the budget for the

coming year, and authorizing the improvements which are to be made. As you know, it will take the engineering department some time to prepare for the work after it is ordered so that we should determine as soon as possible what is to be done in order to get the work completed before winter sets in. I ask you therefore, to determine as rapidly as possible what improvements are to be made.

"In this connection I would suggest that better results would probably be attained, and the work of improving and developing the city be more systematically done, if the common council would map out a program of work in advance. I can see no reason why a plan of city improvement could not be worked out covering a period of say, five years, and the appropriations, from year to year, be made for the development of this plan. This plan would tend to remove unnecessary and troublesome rivalry between the wards and any possible sectional feeling.

"It is true that one common council cannot bind another as to a definite policy, but I am certain that if this council will devote the necessary time to the creation of such a plan, that following common councils would sufficiently adhere to it, to make it effective. It seems to me that this is worthy of your careful thought and attention.

"While each one of you is the representative of a distinct ward, constituting only a portion of the city, yet I believe that each should forget this fact when in the performance of his duty as alderman, and become a representative of the city at large and act with the sole view of benefiting the greatest number of people.

"At the recent special election, the people authorized the issuance of \$185,000 of bonds for the construction of trunk sewers. This is a very large sum of money, and the greatest care should be exercised that it is

properly and economically expended.

"In this connection, I wish to call your attention to the fact that an effort is being made to have the United States government prohibit the dumping of sewage in Lake Michigan. It is probable that such a law will be enacted before long and Racine will then be confronted with a big problem. We are so situated that to accomplish such a work will require the expenditure, not only of large sums of money, but the employment of the highest engineering skill.

"The construction of the proposed trunk sewers should be done with the above probability in view. This leads me to believe that before proceeding with their construction a careful survey should be made of the city and a comprehensive plan of sewer construction developed.

"Milwaukee, and I believe some other cities, have appointed commissions to make such surveys, and they have employed the best experts to cooperate with their engineering departments in the development of the most desirable plan to be followed.

"It seems to me that good business judgment demands that some such action should be taken by you before the work of the proposed sewer construction is begun here. While this would mean a short delay it is better to be safe and certain of our grounds in such an important matter as this, which involves such a large expenditure of funds.

"It is probably unnecessary for me to impress upon you the necessity for the greatest care and economy in the expenditure of the taxpayers' money. It is a trust fund that should be guarded with even greater care than you exercise in the expenditure of your own resources.

"A year ago when the committee on claims was created, it was with the purpose of securing closer scrutiny of claims against the city and all bills were referred to this committee with

the intent to secure comparison of account. Without desiring to criticize or reflect in any way upon the work of the committee the past year, I am certain that the results desired have not been fully attained. I would suggest, therefore, that greater effort be made by the incoming committee on claims to work out the purpose for which it was created. The time has probably arrived when greater economy could be attained, and considerable money saved to the city by the employment of a purchasing agent, and I would suggest that this be given consideration by you.

"Numerous complaints have been made to me that the city is compelled to pay excessive prices for certain classes of work. It is my opinion that there is some foundation for the charge. I would suggest that the streets committee give this careful study and secure comparative data from other cities to ascertain if Racine is securing equitable prices. It would be possible for the city to secure reasonable prices for improvements by enlarging the powers and facilities of the Board of Public Works and empowering it to enter as a competitive bidder. If then it should become evident that prices had been unduly raised, the city could protect itself by doing the work through the Board of Public Works. I believe that it is probable that the city is paying too much for certain portions of its contract work and this condition, if true, should be remedied.

"The recent city election seems to me, to answer conclusively the charge that has been made that the citizens did not know what they were voting on when they directed, two years ago, that the waterworks should be purchased.

"That public sentiment is crystallized in favor of the purchase of the Racine waterworks is clearly evident. An overwhelming majority of the citizens are undoubtedly convinced of its

necessity and utility. It is, therefore, our duty to see that their wishes are obeyed and to combat every effort to prevent the consummation of the purchase.

"Our government is based upon the theory of the rule of the majority. When a policy is established, as this has been, by an overwhelming majority, it is the clear and apparent duty of the minority to submit. It is evident therefore, that the injunctive proceedings now pending to prevent the purchase are unwarranted and unpatriotic.

"The men responsible for them cannot complain if they receive, as they deserve, the condemnation of the great body of citizens whose judgment they are attempting to override and the execution of whose decision they are attempting to prevent.

"The recent re-assessment of property has given to Racine, the financial strength and standing it is entitled to. It has made possible the purchase of the waterworks, when the time arrives to take over the plant, and it has also given the city sufficient credit to meet any emergency that may arise in its development and growth. I firmly believe that time will fully and clearly justify the re-assessment and that it will soon be recognized as one of the most important steps ever taken in the government of the city.

"I wish to assure you that those in charge of the waterworks litigation will use every endeavor to bring it to a speedy conclusion. When the purchase is consummated and the plant passes to the control of the city, you will justly point to it as the most important official action you will be called upon to perform and one that in years to come will contribute in a very large degree to the proper development of the city and to the happiness and prosperity of its people.

"There are many things I could re-

view at this time, but do not wish to make this communication too lengthy and burdensome. They can be taken up later and discussed as the opportunity presents.

"The various departments of the city are being efficiently conducted, the health of the people has been phenominally good during the past two years, the city's park system has been greatly enlarged and improved, and it is evident that Racine is entering upon a period of great enlargement and development.

"It is our duty to fully recognize its needs and to so conduct its government as to provide for its greatest present and future development."

Respectfully submitted

W. A. GOODLAND,

Mayor.

On motion of Ald. Bell same was received and filed.

The following reports were presented:

9. Your committee on Fire, Water, and Police to whom was referred Item 37 of the February 18, 1913 proceedings, being a resolution that the Racine Water company extend their water mains in Main street from the intersection of Main and Wisconsin streets, north to Eighteenth street, respectfully report and recommend the adoption of the resolution.

OFFICIAL JOURNAL

W. S. GOODLAND, Mayor

CHAS. A. RYBA City Clerk

RACINE, WIS., MAY 6, 1913

City Council Chamber,
Racine, Wis., May 6, 1913.

At a regular meeting of the Common Council held this Tuesday evening His Honor Mayor Goodland presided and aldermen Bell, Broecker, Dooley, Erickson, Hanson, Jensen, Lane, Leigler, Miller, Nielsen, Pfister,

Common Council,

City of Racine.

Gentlemen:—At a meeting of the Common Council held March 18th, you adopted a resolution directing the removal of our guy wire on Washington Ave., between Flett and Holmes Aves. We have investigated this and find that this is a messenger wire that supports the curve made by our trolley wires. It will be impossible for us to remove this messenger wire for the reason that we have no other way of making this curve. There is no current whatsoever on this messenger wire and it can do no possible harm to the trees due to its carrying current. Hoping that this is satisfactory, we remain

Yours respectfully,

THE MILW. ELEC. RY. AND LIGHT COMPANY.

Per H. E. Weiss.

Racine Electrical Distribution Dept.

Common Council

OFFICIAL JOURNAL

W. S. GOODLAND, Mayor

CHAS. A. RYBA City Clerk

RACINE, WIS., MAY 20, 1913

City Council Chamber,

Racine, Wis., May 20, 1913.

At a regular meeting of the Common Council held this Tuesday evening President of the Council W. S. Dooley presided and Aldermen Bell, Broecker, Dooley, Erickson, Hanson, Jensen, Lane, Liegler, Miller, Nielsen, Pfister, Stoffel, Widmer were present at roll call.

On motion of Ald. Stoffel the minutes of the preceding meeting were approved as printed.

1. The City Treasurer presented the following communication:

To the Hon. Mayor and Common Council:—

Gentlemen:—As per resolution of May 6, 1913, I advertised for and received bids for the \$50,000 Park Bond issue on May 19, 1913. Your resolution authorized me to sell said bonds for not less than par value and accrued interest, but I failed to receive any bids on that basis. I received a sealed bid from Spitzer-Rorick Co. who bid par and accrued interest on condition that they were allowed \$1,350.00 for attorneys fees and printing.

The Harris Trust and Savings Bank of Chicago have made a proposition of par and accrued interest on condition that they are allowed \$1,300.00 for attorneys fees and printing of the bonds.

I have made numerous inquiries at the local banks and other places and it seems that under the present market conditions, that the Harris Trust & Savings Bank is the best bid it is possible for me to receive and

I would recommend that you take some immediate action on this matter tonight, as it looks as if the market conditions will not change for the better for some time to come,

Respectfully submitted,

A. J. EISENHUT,

City Treasurer.

City Treasurer Eisenhut and Mr. O'Niel, representative of the Harris Trust and Savings Bank appeared and explained the conditions of the money market.

On motion of Ald. Stoffel the communication was received, filed and the bid of the Harris Trust and Savings bank accepted by the following vote:

Ayes:—Bell,, Broecker, Dooley, Erickson, Hanson, Jensen, Lane, Liegler, Miller, Nielsen, Pfister, Stoffel, Widmer.—13.

To His Honor the Mayor and Members of the Common Council of the City of Racine.

Gentlemen:—I prepared and submitted to the Lakeside Improvement Company and to the heirs of the Case Estate easements to the City of Racine giving the City of Racine the right and privilege of constructing and maintaining a public sewer over and through the land of the Lakeside Improvement Company and the land of the Case Heirs in what would be a Twenty-first Street Produced. The owners of these properties have requested as a consideration of executing this easement that they be granted the right and privilege to connect with said sewer when the same is completed for the benefit of the land which they own which lies

outside of the limits of the City of Racine. Before going further in this matter I wish instructions from your Honorable Body.

I have also received a communication from the Railroad Commission in regard to the construction of a subway at Mount Avenue in which they state that the Chicago & Northwestern Railway Company have stated that it will be impossible for them to complete the subway within the time limited by the Commission and asking for a reasonable extension of time within which to complete the subway. The commission desire to know whether there will be any objection on the part of the City to granting a reasonable extension of time for the completion of this subway.

Respectfully submitted,

E. R. BURGESS,

City Attorney.

Dated this 17th day of June A. D. 1913.

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Bell.

The following reports were presented:

24. The undersigned, who were directed to advertise for bids for paving Boyd avenue from Washington avenue to Seventeenth street, respectfully report that we have advertised for and received bids for said work which are as follows:

Bond	Bidder	Price per Sq. Yd. Paving	Price per Lin. ft. Curb and Gutter
\$11,000.00	Western Improvement Co.	\$1.75	60c
12,000.00	Jas. Cape & Sons Co.	1.82	60c
10,325.00	White Construction Co.	1.94	62c

which said bids are herewith submitted for your consideration.

25. BY ALD. JENSEN, who moved its adoption:

Whereas, the Board of Public Works have submitted a report to the Council to the effect that as directed by the resolution adopted on the 17th of September, 1912, they

advertised in the manner required by law for proposals for furnishing all the materials and doing all the work necessary and required to improve to the established grade Boyd avenue from Washington avenue to Seventeenth street as in said resolution provided and that at the hour, day and place mentioned in said advertise-

ment, they opened and examined the proposals so received, and

Whereas, the said Board submitted with said report a schedule of all bids received, and

Whereas said matter having been duly considered by the Council and it appears that the Western Improvement Co., are the lowest bidders and are responsible and reliable for the performance of the work.

Now, therefore, be it Resolved that the price, to-wit: \$1.75 per square yard for paving and 60 cents per lineal foot for combined curb and gutter bid by said Western Improvement Co. for said work is reasonable, that the contract for said work by said Board awarded to the Western Improvement Co. and that the Mayor and City Clerk be and they are hereby directed to execute said contract on the part of the city and to attach thereto the corporate seal after said contract has been countersigned by the City Comptroller.

ALD. DOOLEY moved as an amendment that same be referred to the Committee of the Whole.

Amendment carried.

OFFICIAL JOURNAL

W. S. GOODLAND, Mayor

CHAS. A. RYBA City Clerk

RACINE, WIS., JUNE 27, 1913

City Council Chamber,
Racine, Wis., June 27, 1913.

At an adjourned meeting of the Common Council held this Friday evening His Honor Mayor Goodland presided and Aldermen Bell, Broecker, Dooley, Erickson, Hanson, Jensen, Lane, Liegler, Miller, Nielsen, Plister, Stoffel, Widmer were present at roll call.

1. A petition protesting against the granting of a liquor license at 1301 N. Wisconsin St. signed by Rev. John M. S. McDonald and about 12 other residents, was presented.

Same was received, filed and referred to the License Committee on motion of Ald. Stoffel.

2. The application and bonds of Jim Szuch, 1204 State St., M. Bubelis, 1115 N. Main St., and John Karpen 1300 16th St., were presented.

Same were received, filed and referred to the License Committee on motion of Ald. Widmer.

3. A petition for paving Boyd Ave. from the south line of Washington Ave. to the south end of said street with brick was presented.

Same was received, filed and referred to the Street Committee and City Engineer on motion of Ald. Jensen.

4. A petition signed by Mrs. Anna V. Hall and about 24 others asking that William Lingsweiler be appointed as inspector when Eleventh St. is paved, was presented.

Same was received, filed and referred to the Board of Public Works on motion of Ald. Broecker.

5. A petition signed by Mrs. Anna V. Hall and about 26 other asking that Eleventh St. be paved with Barr or Purrington brick, Barr brick preferred, was presented.

Same was received, filed and referred to the Street Committee, City Engineer and Aldermen of the Second, Third, Sixth and Tenth wards on motion of Ald. Broecker.

6. A protest against the paving of Seventeenth St. at this time, signed by Mrs. Frederick Bruce and about 43 other property owners, was presented.

Same was received, filed and referred to the Street Committee and City Engineer on motion of Ald. Widmer.

7. The report of the Board of Public Works on the assessments for sewers in Osborne Boulevard from Blaine Ave. to West Blvd., Kinzie Ave. from Hayes Ave. to West Blvd., Hayes Ave. from Washington to Osborne Blvd. and in Grant Ave. from Washington Ave. to Kinzie Ave., was presented.

Same was received, filed and confirmed on motion of Ald. Erickson.

8. The report of the Board of Public Works on the assessments for a sewer in Linden Ave. from the end of the present sewer to Twelfth St., was presented.

Same was received, filed and confirmed on motion of Ald. Bell.

9. The City Attorney presented the following communication:

To His Honor the Mayor and Members of the Common Council of the City of Racine:

Gentlemen:—I wish to report that

in the matter of the City of Racine vs. The S. Freeman Sons Mfg. Co. for the collection of the Income Tax that this situation has developed. That the personal property tax of the S. Freeman & Sons Mfg. Co. based on the reassessment which was recently completed will more than offset the Income Tax. The law is, that a person may offset his Income Tax by any personal property tax which he has paid during the same year. I have taken the matter up with the State Tax Commission and they informed me that they could see no objection to the Council adjusting this controversy provided the S. Freeman & Sons Mfg. Co. paid the personal property tax as based on the reassessment during the present year.

I ask for a consideration of this matter by Your Honorable Body so that I may have instructions concerning the same.

Respectfully Submitted,

E. R. BURGESS.

Same was received, filed and referred to the Tax Committee and City Attorney on motion of Ald. Nielson.

10. Your Committee on Licenses and City Attorney to whom was referred the license of A. Goldberg, 900 6th St.; Salvatore Filpi, 1330 Forest St.; Alfred Nelson, 237 Main St.; Clyde Kerstine, 1901 Racine St.; Chas. Edwards, 1301 N. Wisconsin St.; M. Lowinger, 1204 State St., respectfully report and recommend that licenses be not granted.

H. B. Widmer, W. H. Bell, Nels Hansen.—License Committee.

Same was received, filed and adopted on motion of Ald. Widmer.

11. To the Hon. Mayor and Common Council:

Your committee on Licenses to whom was referred the following applications for liquor licenses, respectfully report and recommend that said licenses be granted.

16. The following ordinance was introduced and received its first and second readings:

AN ORDINANCE

Regulating the collection of garbage in the City of Racine.

The Common Council of the City of Racine do ordain as follows:

Section 1. It shall be unlawful for any person or persons, firm or corporation to deposit, throw or place any garbage, offal or dead animals in any street, alley, lane or other place within said city, nor shall any person or persons, firm or corporation place any garbage, offal, dead animals or other refuse matter upon private property whether owned by such person, firm or corporation or not, unless the same shall be enclosed in proper vessels or cans, such vessels or cans to be water tight, provided with handles or bales and a cover which

shall not be removed except when necessary to place garbage in such cans or to empty or cleanse the same. The location of the garbage cans shall be in an easily accessible place on the premises and such location shall be under the direction and control of the Board of Public Works. Such cans shall be of a capacity of not more than two bushels. All such vessels or cans shall be promptly delivered to the collector when called for, without unnecessary delay and shall be by said collector promptly returned to said place, and no person, except for the purpose authorized, shall in any manner interfere with the said vessels or cans, or the contents thereof, provided, that this section shall not apply to any person who at least daily destroys by cremation or otherwise all garbage refuse upon the premises occupied by such person, or dispose of all such garbage in such manner as may be approved by the Board of Health, but such garbage shall not be permitted to be or be by any person buried in the earth or fed to swine on any premises in any part of the city, or be permitted to be or be by any person transported upon any of the streets or alleys of the city, except in garbage cans tightly covered and cleansed so as not to give off or emit any offensive odor.

Section 2. No person, unless duly authorized so to do by said City of Racine, shall gather, collect or receive for transportation within the City of Racine, any garbage or carcass, or transport, or have in his possession in any public street, alley or public place within the City any garbage or carcass.

Section 3. The words "Garbage" and "Offal" as used in this ordinance shall be held to include every refuse accumulation of animal, fruit and vegetable matter that attends the preparation, use, cooking, dealing in or storage of meats, fish, fowls, fruits or vegetables, also all rags, papers and

other combustible refuse, but it shall be unlawful for any person to place in the garbage cans any ashes, earth, waste or other material of a different nature whatsoever, except that tin cans may be placed therein.

Section 4. The collection, removal and disposal of the garbage and offal shall be conducted under the supervision, direction and control of the Board of Public Works and in strict conformity with the provisions of this ordinance, and with the additional rules and regulations that may be made from time to time by the Board of Health, and for this purpose the Board of Public Works is empowered to employ all necessary labor for this purpose, either by the day or by the month as may be found to be the cheapest and the most beneficial for the city, and they are hereby directed to make and report monthly to the City Council proper rolls and statements covering the cost and expense of such collection removal and disposal of garbage in the city and the operation of such garbage crematory.

Section 5. The municipality shall own its garbage wagons and horses for drawing the same for the collection and removal of the garbage and offal. The wagons shall be of suitable size, water tight and with metallic lining, properly covered. Such wagons shall be kept clean and shall bear in prominent letters the words "Garbage Wagon."

Section 6. All garbage and offal before being placed in said garbage cans shall be thoroughly drained and well wrapped in paper.

Section 7. The collection and removal of the garbage of the hotels, restaurants and larger boarding houses, groceries, commission houses, butcher shops and similar places shall be made three times a week during the months of June, July, August and September, and twice per week during the remaining months of the year, provided that in case it is

found that said number of collections are not sufficient to properly care for the garbage from any such place, then, and in that case, such hotels, restaurants, larger boarding houses, commission houses, groceries, butcher shops or other similar places where such number of collections shall be found to be insufficient, shall at their own expense make the necessary deliveries of such excessive garbage in a manner to be approved by the Board of Health. In the residence portions of the City the collection and removal shall occur twice per week during the months of June, July, August and September and once per week during the remaining months of the year.

Section 8. The expense of collection, removal and disposal of the garbage shall be paid out of the garbage fund of said city, except as hereinbefore provided where there is an excess of garbage and the regular collections are insufficient to properly care for the same.

Section 9. The Board of Health of the City of Racine are hereby empowered and they are hereby directed to make all necessary rules and regulations as may be found necessary from time to time for the proper collection of garbage within the City of Racine.

Section 10. Any and every person or persons, firm or corporation failing to comply with the provisions of this ordinance or of the rules and regulations made under and by virtue of the same shall for each and every offense, upon conviction thereof, be subject to a fine of not less than \$5.00 and not more than \$50.00 together with the costs of prosecution, and in default of payment shall be committed to the County Jail for a period of not less than ten days nor more than thirty days.

Section 11. All ordinances or parts of ordinances conflicting with the

provisions of this ordinance are hereby repealed.

Section 12. This ordinance shall take effect and be in force and effect from and after the date of its passage and publication.

Whereas, The total frontage of the lots on Boyd avenue from the north line of Seventeenth street to the south line of alley south of Seventeenth street is 320 feet, and

Whereas, the owners of certain of said lots have presented to this council a petition requesting that the said part of Boyd avenue above mentioned be improved to the established grade by grading the roadway thereof to the proper subgrade and by constructing thereon an asphaltic concrete pavement, consisting of 5 inches Portland cement concrete foundation and two inches asphaltic concrete wearing surface together with a Portland cement concrete combined curb and gutter and that the cost of such improvement, when made, be assessed to the respective owners of the lots fronting on said street in the ratio of each owners number of feet front to the entire length of such improvement, exclusive of street crossings, and

Whereas, the signers of said petition comprise the owners of 240 feet or more then one-half of the frontage of the lots on the part so proposed to be improved of said street, now therefore be it

Resolved, By the Mayor and Common Council of the City of Racine, that the said part of Boyd avenue above mentioned be improved as in said petition and as above set forth by grading the roadway thereof to the proper subgrade and by constructing thereon an asphaltic concrete pavement as above specified, to be made in such manner as shall be fully specified by the City Engineer and approved by the Mayor and that the Board of Public Works be and they

are hereby authorized to advertise for proposals in the manner required by law and that they report to the council a schedule of all bids received, and that if any bidder is in the opinion of the Board of Public Works incompetent or otherwise unreliable for the performance of the work, the board include in their report a recommendation to accept the bid of the lowest responsible bidder with their reasons.

Carried; so referred.

70. The following ordinances were introduced and received their first and second readings:

AN ORDINANCE.

Approving the rules and regulations for the protection and government of the Parks, Boulevards and Pleasure Drives within the City of Racine and preservation or order therein as adopted by the Board of Park Commissioners and prescribing a penalty for the violation of the same.

The Common Council of the City of Racine do ordain as follows:

SEC. I. The following rules and regulations adopted by the Board of Park Commissioners for the regulation and government of Parks, Boule-

wards and Pleasure Drives in the City of Racine and for the preservation of order therein, are hereby approved.

1. No person shall ride or drive in the parks, except upon established roads and ways, and then only at a moderate rate of speed, not to exceed fifteen miles per hour.

2. No person shall hitch a horse or other animal in the parks except there be hitching posts or rails provided for such purpose.

3. No person shall in any manner deface or injure any building, tree, shrub or plant or other property standing or growing in the parks or play grounds, or upon any premises under the jurisdiction of the Racine Park Commission.

4. No fire shall be lighted or made in the parks unless so ordered by the Superintendent or officer in charge of the grounds.

5. The use of firearms and explosives and weapons of every character upon the grounds is strictly prohibited.

6. No person shall scatter or litter the grounds with any form of waste material.

7. No person shall use any loud, violent, obscene or profane language while on the park grounds, nor shall anyone conduct himself or herself in a disorderly or obscene manner or commit any nuisance upon the grounds.

8. No person shall throw or place any foreign or waste substance in the lake, rivers or lagoons in or bordering upon any of the parks, playgrounds, boulevards and pleasure drives, nor shall any person swim or bathe therein except at such places and at such times as the Board may direct.

9. No person shall disturb or interfere with any improvements made or being made in or about the parks, playgrounds or drives or disturb or interfere with birds or animals found therein.

10. No person shall enter upon

portions of the ground in disregard of signs or posted notices forbidding the same.

11. No person shall be allowed to give entertainments of any kind or transact business of any kind, or hold public meetings or assemblies, or establish or occupy a camp upon the grounds except by written consent of the Board.

12. All picnic parties, all assemblages of persons, and all business and entertainments permitted, shall occupy grounds to be designated by the Board or their Superintendent, and shall be under his control and supervision.

13. No dog shall be allowed to run at large in the parks, and any dog found in any such park shall be deemed to be running at large unless the owner of such dog carries him or leads him by a strap or rope not exceeding six feet in length; or unless such owner keeps such dog in his wagon or other vehicle, or causes such dog to be attached to such wagon or vehicle by chain, rope or strap not exceeding six feet in length. It is hereby made the duty of the park police, or any person in the employ of the Park Commissioners, to remove or kill any dog running at large in any such park.

14. No person shall sell, vend or give away in or upon any of the parks, playgrounds, boulevards or pleasure drives, any article of merchandise whatever without the written permit of said Board.

15. No intoxicating liquors shall be brought upon or used in any park, playground, pleasure drives or boulevards.

16. Any person violating any of these rules may be summarily removed from such parks, playgrounds, boulevards or driveways by any member of the Board, the Superintendent or any person in the employ of said Board, and the violation of any of the foregoing rules and regulations is hereby declared to be a misdemeanor as

provided for by law and will be punished as such.

SEC. II. Any person or persons violating any of the provisions of this ordinance shall be punished by a fine of not less than \$1.00 nor more than \$25.00, together with the costs of prosecution, or by imprisonment in the County Jail for a term not exceeding twenty (20) days.

SEC. III. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SEC. IV. This ordinance shall take effect and be in force and effect from and after the date of its passage and publication.

51. BY ALD. BELL, who moved that the rules be suspended and the resolution adopted:

Whereas, The purported survey, subdivision and map entitled J. I. Case Subdivision of part of the west one-half ($W\frac{1}{2}$) of northeast one-quarter ($NE\frac{1}{4}$) of Section twenty (20), Township three (3) north, Range twenty-three (23) east, approved by resolution of the Common Council of the City of Racine adopted at a meeting of said council held on April 18, 1910, was and is invalid as not having been executed in accordance with the provisions of law in such case made and provided, and

Whereas, said purported survey, subdivision and map erroneously included the property described as follows, to-wit:

Beginning at a point nine hundred eighty-eight and two-tenths (988.2) feet north of the southeast corner of the west one-half ($W\frac{1}{2}$) of Section twenty (20) aforesaid running thence north two hundred forty-five (245) feet, thence west one hundred thirty-one (131) feet, thence south two hundred forty-five (245) feet, thence east one hundred thirty-one (131) feet to place of beginning, and

Whereas, it is the desire of the owners of said property, exclusive of said last mentioned particularly described parcel, and of the city of Racine that said property be properly and accurately surveyed, subdivided and mapped, and

Whereas, a proper and accurate survey, subdivision and map of said

property has been made in due conformity with law and identical with said earlier purported survey, subdivision and map save in its erroneous particulars as above set forth and as fully described in the certificate of William M. Rodgers, surveyor, dated July 21, 1913 endorsed on said map, and is herewith submitted to this council for approval, now therefore, it is hereby

Resolved, That the survey, subdivision, plat and map of the J. I. Case Subdivision of part of the west one-half ($W\frac{1}{2}$) of northeast one-quarter ($NE\frac{1}{4}$) of Section twenty (20), Township three (3) north of Range twenty-three (23), east in the Thirteenth (13th) Ward of the City of Racine be and the same hereby is approved.

Rules suspended by the following vote:

Ayes—Bell, Broecker, Dooley, Erickson, Hanson, Jensen, Kannenberg, Lane, Leigler, Miller, Nielsen, Pfister, Stoffel—13. Noes—0.

Resolution adopted by the following vote:

Resolved, That water mains be ordered laid in Park View from its present terminus north to Root River.

Adopted.

63. BY ALD. PFISTER, who moved its reference to the Street Committee, City Engineer and Ald. 10th ward:

Whereas, The total frontage of lots on Howe Street from Thirteenth Street to Fourteenth Street is 960 feet, and

Whereas, The owners of certain of said lots have presented to this council a petition requesting that the said part of Howe Street above mentioned be improved to the established grade by grading the roadway thereof to the proper subgrade and pavement consisting of five and one-half inches base and one and one-half inches wearing surface under a five year guarantee, together with a Portland cement concrete combined curb and gutter, and that the cost of such improvement when made be as-

sessed to the respective owners of the lots fronting on said street in the ratio of each owners number of feet front to the entire length of such improvement exclusive of street crossings, and

Whereas, The signers of said petition comprise the owners of 642½ feet or more than one-half of the frontage of the lots on the part so proposed to be improved of said street, now therefore be it

Resolved, By the Mayor and Common Council of the City of Racine, that the said part of Howe Street above mentioned be improved as in said petition and as above set forth by grading the roadway thereof to the proper sub-grade and by constructing thereon a concrete pavement, consisting of five and one-half inches Portland cement concrete base, with one and one-half inches Portland cement concrete wearing surface, together with a Portland cement concrete combined curb and gutter, to be made in such manner as shall be fully specified by the City Engineer and approved by the Mayor and that the Board of Public Works be and they are hereby authorized to advertise for bids in the manner required by law, and that they report to this council a schedule of all bids received, and that if any bidder is in the judgment of the board incompetent or otherwise unreliable for the performance of the work, the board include in their report a recommendation to accept the bids of the lowest responsible bidder with their reason.

Carried; so referred.

64. BY ALD. NIELSON, who moved its adoption:

Whereas, By resolution of the Common Council of the City of Racine, passed on the 3rd day of June, 1913, the Board of Public Works was ordered to file its report in the matter of improving Hartman Court from Prospect Street to Hamilton

Street by grading said street to the proper subgrade and by constructing thereon a concrete pavement, and

Whereas, The Board of Public Works has filed its final report on said improvement with the City Clerk, and

Whereas, the Council has confirmed said report and has determined the amount of benefits and damages to be paid by the real estate affected by said improvement and the amount that should be paid by the city at large, therefore be it

Resolved, By the Mayor and Common Council, that Hartman Court Street be ordered improved as aforesaid, and

The Board of Public Works is hereby authorized and directed to take charge of said work and let the contract therefor in the manner provided by law.

Common Council

OFFICIAL JOURNAL

W. S. GOODLAND, Mayor

CHAS. A. RYBA City Clerk

RACINE, WIS., AUG. 8, 1913.

CITY COUNCIL CHAMBER.

Racine, Wis., Aug. 8, 1913.

At an adjourned meeting of the Common Council held this Friday evening His Honor Mayor Goodland presided and Aldermen Bell, Broecker, Dooley, Erickson, Hanson, Jensen, Kannenberg, Lane, Leigler, Miller, Nielsen, Pfister and Stoffel were present at roll call.

1. The City Clerk read Item No. 14 of August 5, 1913 proceedings, being a communication from H. B. Widmer asking that the charges made against him by the "Critic" be investigated.

Communication was read and Elwyn R. Moak, E. L. Evans, H. C. Baker, Chas. A. Ryba, Lyman Hanks, Jos. Kapaun, Henry Matson, Albert Kawalski, Ted Poplawski, Harold Smith, Hector Paton, Frank Bassinger and Erick Kewinski appeared and gave testimony.

2. BY ALD. DOOLEY who moved its adoption:

Resolved, That the following findings be and the same are the findings of the Common Council as a result of the investigation of the charges against Alderman Widmer.

We, the Common Council, after hearing the evidence submitted, the arguments of council and being advised in the premises, find as follows:

First:—We find that there was no intention of guilt on the part of Alderman Widmer.

Second:—We find that no money

or other thing of value was obtained by Alderman Widmer.

Third:—We find that Alderman Widmer did use language while in the Corliss Exchange on July 4, 1913, which involves the integrity of the Common Council of the city and that he was guilty of conduct unbecoming a member of the Council.

We therefore request that Alderman Widmer resign his position as Alderman of the Fourteenth Ward, believing that such resignation will be for the best interest of the public.

Adopted by the following vote:

Ayes — Bell, Broecker, Dooley, Erickson, Hanson, Jensen, Kannenberg, Lane, Leigler, Miller, Nielsen, Pfister, Stoffel.—13. Noes—0.

Council adjourned on motion of Ald. Bell.

Attest—

CHAS. A. RYBA,
City Clerk.

CHAS. A. RYBA City Clerk

RACINE, WIS., SEPT. 10, 1913.

CITY COUNCIL CHAMBER.

Racine, Wis., Sept. 10, 1913.

At a special meeting of the Common Council held this Wednesday evening His Honor Mayor Goodland presided and Aldermen Bell, Broecker, Dooley, Erickson, Evans, Hanson, Jensen, Kannenberg, Lane, Liegler, Miller, Nielsen, Pfister and Stoffel were present at roll call.

1. The following call was read:

The the Members of the Common Council of the City of Racine:

Gentlemen:—You, and each of you are hereby notified that a special meeting of the Common Council of the City of Racine will be held in the Council Chambers in the City Hall in the City of Racine, on September 10th, 1913, at 8:00 o'clock P. M., of said day for the purpose of taking action on such matters as may properly come before the meeting, and especially to investigate certain charges made by the "Critic."

W. S. GOODLAND,

Mayor.

Due service of the above notice admitted by me this 10th day of September A. D., 1913.

W. S. Dooley, P. T. Stoffel, J. H. Broecker, Phil. Pfister, J. R. Evans, N. P. Nielsen, Erick Erickson, Harry Miller, C. Kannenberg, Peter Lane, W. H. Bell, Chas. Jensen, William H. Liegler, Nels Hanson.

State of Wisconsin, }
Racine County } ss.

I hereby certify that at the City

of Racine, County of Racine and State of Wisconsin, on the 10th day of September A. D., 1913, I served the within notice upon each of the members of the Common Council of the City of Racine.

And I Further Certify that the signatures herein subscribed to said notice are those of the members served personally, and that I served said notice on the date above mentioned on the members whose names do not appear herein by leaving a true and correct copy of said notice at their several places of abode.

M. F. JOHNSON,

City Constable.

Same was received and filed on motion of Ald. Bell.

2. A communication signed by Wm. J. Higgins asking permission to connect his property on Washington Ave., with the sewer in Grant Ave., was presented.

Same was received, filed and referred to the Street Committee with power to act by the following vote:

Ayes—Bell, Broecker, Dooley, Erickson, Evans, Hanson, Jensen, Kannenberg, Lane, Leigler, Miller, Nielsen, Pfister, Stoffel.—14.

Noes—0.

3. His Honor the Mayor announced that the time had arrived for hearing of testimony relative to the charges of graft in the "Critic" regarding the purchase of fire apparatus.

E. R. Moak, Peter Ritter, Jas. Cape, Wm. S. Dooley and W. S. Goodland were sworn and gave testimony.

4. Ald. Dooley moved that the Council proceed to executive session.
Carried.

5. On motion of Ald. Lane the council took a recess of 10 minutes. At the expiration of time the council reconvened.

6. BY ALD. BELL, who moved its adoption:

Whereas certain insinuations were made in a publication called the "Critic" in regard to the purchase of fire engines for the city; and

Whereas, the Common Council has made a thorough investigation of the basis for any such statements, both by the examination of the editor of the "Critic" and all others who had any opportunity of knowing any of the facts in regard to the purchase of the fire engines; and

Whereas, such investigation has developed the fact that there is absolutely no foundation or basis for the statements made in the "Critic" in regard to the purchase of fire engines: there being not a scintilla of evidence which could possibly lead any one to believe that any graft or any inducement other than legitimate argument had been offered or accepted by any city official from any one to secure his influence for any particular engine or engines; and

Whereas, on the other hand the evidence produced, developed the fact that the greatest care, integrity and business accumen had been used by all the city officials and particularly by the special committee of aldermen, the Mayor and Fire Chief in the purchase of such apparatus.

Resolved, that we do hereby demand from the "Critic" a full and complete retraction of all statements which have been made by it reflecting in any way upon the integrity and honesty of any city official in relation to the purchase of such engines.

Resolved Further, that we do hereby unqualifiedly and without any

reservation, whatever hereby express our fullest confidence in the integrity and honesty of those officials who had anything whatsoever to do with the purchase of such fire engines.

Resolved Further, that we deeply deplore any reference made by alderman Nielsen to any citizens not connected with such investigation; that we do hereby extend to each and all of them our full and complete confidence in their good character as citizens and gentlemen and

do hereby express our sincere belief in the utter and absolute falsity of such statement.

W. S. Goodland, Mayor, W. H. Bell, J. H. Broecker, W. S. Dooley, Erick Erickson, J. Evans, Nels Hanson, Chas. Jensen, Chas. Kannenberg, Peter Lane, Wm. H. Liegler, Harry Miller, Phil. Pfister, P. T. Stoffel.

Carried by the following vote:

Ayes—Bell, Dooley, Evans, Hanson, Broecker, Erickson, Jensen, Kannenberg, Lane, Leigler, Miller, Pfister, Stoffel.—13. Noes—Nielsen.—1.

Council adjourned on motion of Ald. Jensen.

P. H. Connolly, G. W. Grenier, J. Blessinger—Board of Public Works.

Same was received and filed on motion of Ald. Pfister.

47. BY ALD. PFISTER, who moved its adoption:

Whereas, the Board of Public Works have submitted a report to

the Council to the effect that as directed by the resolution adopted on the 19th day of August, 1913, they advertised in the manner required by law for proposals for furnishing all the materials and doing all the work necessary and required to improve Howe street from Thirteenth street to Howe street as in said resolution provided, and that at the hour, day and place mentioned in said advertisement, they opened and examined the proposals so received, and

Whereas, the said Board submitted with said report a schedule of all bids received, and

Whereas, said matter having been duly considered by the Council and it appears that the Western Improvement Co., are the lowest bidders and are responsible and reliable for the performance of the work, now therefore be it

Resolved, that the price, to wit: \$1.46 per square yard for paving and 60 cents per lineal foot for combined curb and gutter bid by said Western Improvement Co., for said work is reasonable, that the contract for said work be by said Board awarded to the Western Improvement Co., and that the Mayor and City Clerk be and they are hereby directed to execute said contract on the part of the city and to attach thereto the corporate seal after said contract has been countersigned by the City Comptroller.

Ayes—Broecker, Dooley, Erickson Bell, Evans, Hanson, Jensen, Kanenberg, Lane, Miller, Nielsen, Pfister, Stoffel.—13. Noes—0.

48. BY ALD. PFISTER, who moved its adoption:

Resolved, That the Board of Health be and they are hereby requested to serve notices on the owners of property between 12th and 13th streets on Franklin street to have the same placed in a sanitary condition wherever the Board may deem necessary after investigation.

Adopted.

49. BY ALD. NIELSEN, who moved its reference to the Street Committee, City Engineer and Alderman of the 9th ward:

Whereas, a petition signed by more than 10 freeholders of the Ninth Ward of the City of Racine was presented to the Common Council on the fifth day of August, 1913, and duly referred to the Board of Public Works and was reported by them on the 2nd day of September, A. D., 1913, and

Whereas, the said Board of Public Works duly made report to the Common Council which report bears date the second day of September, 1913, in which they report:

1. That said petition is sufficiently signed.

2. That the particular description of the lots, parcels or subdivisions of land proposed to be taken is as follows:

(a) That part of the west one-half ($\frac{1}{2}$) of the northeast quarter of Section 8-3-23 described as follows: Begin at a point on the south line of Prospect street at the east line of said west one-half ($\frac{1}{2}$) of the northeast quarter of Section number eight (8), run thence south two hundred ninety (290) feet, thence west thirty (30) feet, thence north two hundred ninety (290) feet to the south line of Prospect street, thence east thirty (30) feet to the place of beginning.

(b) That part of the west one-half ($\frac{1}{2}$) of the northeast quarter of Section 8-3-23 described as follows: Begin on the east line of said west one-half ($\frac{1}{2}$) of the northeast quarter of Section eight (8) two hundred ninety (290) feet south of the south line of Prospect street, run thence south one hundred ten (110) feet to the north line of West street thence west thirty (30) feet, thence north one hundred ten (110) feet, thence east thirty (30) feet to the place of beginning.

(c) All that part of the west one-

half ($\frac{1}{2}$) of the southeast quarter of Section 8-3-23 lying north of Northwestern avenue and south of West street.

(d) That part of lot sixteen (16), block six (6), Palmetter and Brigg's Addition to the City of Racine, described as follows: Begin at the northwest corner of said lot sixteen (16) run thence east fourteen and twenty-five hundredths (14.25) feet, thence southerly fifty-five and eight tenths (55.8) feet to the west line of said lot sixteen (16), thence north fifty-four (54) feet to the place of beginning.

3. A plat of the proposed extension and change proposed to be made.

The said report having been adopted by the Common Council at a meeting held on the 2nd day of September, A. D., 1913.

THEREFORE, BE IT RESOLVED:

1. That it is necessary to condemn the land described in said petition and report, and above described, and indicated in said plat on file for the purpose named in the petition.

2. That the City Attorney be, and he is hereby directed to commence and prosecute the proper proceedings for the condemnation and acquisition of said land with all convenient despatch.

Bond for the Purchase of Two Auto Fire Engine Pumps.

No.———, \$1000.

KNOW ALL MEN BY THESE PRESENTS, that the City of Racine, in the County of Racine and State of Wisconsin, acknowledges itself to owe, and for value received, promises to pay to the bearer on the first day of October A. D., 19——, the principal sum of \$1000 together with the interest thereon from the date hereof until paid at the rate of four and one-half (4½) percent per annum, payable semi-annually on the first day of April, and the first day of October in each year as evidenced by and on presentation and surrender of the annexed interest coupons as they severally become due; both principal

and interest payable in lawful money of the United States of America at the office of the City Treasurer of said city. This bond is issued for the purpose of providing funds for the purchase of two auto fire engine pumps in accordance with the authority of more than a majority of the qualified electors of the said City of Racine voting thereon at a Special Election duly called and held therein for that purpose on the third day of September, 1912, and in accordance with an ordinance duly passed by the Mayor and Common Council of said city pursuant to and in full compliance with the provisions of the charter of said city.

It is hereby certified and recited that these statements as to the assessed valuation of the property in said city and of the indebtedness thereof printed on the face of this bond are correct; that the total indebtedness of said city including this bond does not exceed any constitutional, statutory or charter limitations; that all acts, conditions and things required to be done precedent to and in the issue of this bond have been done, happened and been performed in regular due form and time as required by law and that provisions have been made for the collection of a direct annual tax upon all the taxable property of said city sufficient in amount to pay the interest hereon as it becomes due and the principal hereof at maturity. And for the prompt payment hereof of both principal and interest at maturity the full faith, credit and resources of said city of Racine are hereby irrevocably pledged.

IN WITNESS WHEREOF, the said city of Racine by its Common Council has caused this bond to be signed by its Mayor and City Clerk and sealed with its corporate seal, and the interest coupons hereunto attached to be signed by the Mayor and Clerk or by their lithographed fac-simile signatures all as of the date of the

first day of October A. D., 1913.

City Clerk.

Mayor.

No. _____ \$ _____

On the _____ the city of Racine will pay to the bearer, at the office of the City Treasurer in Racine, Wisconsin, the sum of \$ _____, lawful money of the United States of America for semi-annual interest, due that day on this bond for the purchase of two auto fire engine pumps for fire protection in the City of Racine.

Dated October 1, 1913.

Mayor.

City Clerk.

Section 4. That said bonds shall be signed by the Mayor and City Clerk and sealed with the corporate seal of the City, and the coupons by the Mayor and City Clerk, or by their lithographed fac-simile signatures. That said bonds shall be sold by the City Treasurer for not less than par value and accrued interest, and the proceeds derived from such sale shall be applied exclusively for the purpose for which said bonds are being issued.

Section 5. That for the purpose of providing the necessary funds to pay the interest maturing on said bonds in the year 1914, and to pay the principal falling due in the year 1914, there is hereby levied on all the taxable property of the city of Racine, in addition to all other taxes a direct tax sufficient to produce the sum of \$1765, being \$765 for interest and \$1000 for principal, and for the purpose of providing the necessary funds to pay the interest maturing on said bonds subsequent to the year 1914, promptly and when the same becomes due and also to pay

and discharge the principal on said bonds at their respective maturities there is hereby levied upon all the taxable property in said city, in addition to all other taxes, the following direct annual tax, to-wit:

For the year 1920 the sum of \$1,-450.00, being \$450.00 for interest and \$1,000.00 for principal.

For the year 1921 the sum of \$1,-405.00, being \$405.00 for interest and \$1,000.00 for principal.

For the year 1922 the sum of \$1,-360.00, being \$360.00 for interest and \$1,000.00 for principal.

For the year 1923 the sum of \$1,-315.00, being \$315.00 for interest and \$1,000.00 for principal.

For the year 1924 the sum of \$1,-270.00, being \$270.00 for interest and \$1,000.00 for principal.

For the year 1925 the sum of \$1,-225.00, being \$225.00 for interest and \$1,000.00 for principal.

For the year 1926 the sum of \$1,-180.00, being \$180.00 for interest and \$1,000.00 for principal.

For the year 1927 the sum of \$1,-135.00, being \$135.00 for interest and \$1,000.00 for principal.

For the year 1928 the sum of \$1,-090.00, being \$90.00 for interest and \$1,000.00 for principal.

For the year 1929 the sum of \$1,-045.00, being \$45.00 for interest and

\$1,000.00 for principal.

That it shall be the duty of the City Clerk in each of the above mentioned years to extend upon the tax roll of said city for such year the amount of taxes hereinbefore levied for the payment of principal and interest of said bonds for such year and such annual taxes shall be collected by the same officers, at the same time and in the same manner in each of said years as the taxes for general city purposes.

Section 6. This ordinance shall take affect and be in force and effect from and after the date of its passage and publication.

OFFICIAL JOURNAL

W. S. GOODLAND, Mayor

CHAS. A. RYBA City Clerk

RACINE, WIS., OCT. 21, 1913.

CITY COUNCIL CHAMBER.

Racine, Wis., Oct. 21, 1913.

At a regular meeting of the Common Council held this Tuesday evening His Honor Mayor Goodland presided and Aldermen Bell, Broecker, Erickson, Evans, Hanson, Jensen, Kannenberg, Lane, Liegler, Miller, Pfister, Simonson and Stoffel were present at roll call.

Ald. Stoffel moved that the minutes of the preceding meeting be corrected as follows:

That Ald. Lane's name be stricken from Report No. 49.

Adopted.

1. A communication from A. Stolarski asking that the Fourteenth ward polling booth be moved from his lot as soon as possible, was presented.

Same was received, filed and referred to the Board of Public Works on motion of Ald. Evans.

2. A communication from Mrs. Branagan, 517 Hubbard street, asking that she be reimbursed for damaged clothing caused by the throwing of mud by the ambulance, was presented.

Same was received, filed and referred to the Judiciary Committee and City Attorney on motion of Ald. Hansen.

3. A communication from the Railroad Commission of Wisconsin relative to the proposed new schedule for street lighting, was presented.

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Stoffel.

4. A petition signed by John E. Burkert and about 19 others asking that Carlisle avenue, between Albert street and St. Patrick street, be paved with asphalt, together with a combined curb and gutter, was presented.

Same was received, filed and referred to the Street Committee, City Engineer and Alderman Ninth ward on motion of Ald. Hansen.

5. A petition signed by Walter Laurence and about 24 others asking that Marquette street be paved with asphaltic concrete and not with brick, was presented.

Same was received, filed and referred to the Street Committee, City Engineer and Alderman Fifth Ward on motion of Ald. Bell.

6. The final report of the Board of Public Works on the assessment of benefits and damages on account of the proposed improvement of Marquette street, from State street to Hamilton street, by constructing thereon a brick pavement, together with a combined curb and gutter, together with an affidavit of publication of a notice of hearing on same, was presented.

Same was received and filed on motion of Ald. Bell.

His Honor the Mayor announced that the time had arrived for the hearings of objections to said report. No one appeared.

7. BY ALD. STOFFEL, who moved its adoption::

Resolved, That the report of the Board of Public Works in the matter of improving Marquette street, from

State street to Hamilton street, by paving with brick, be and the same is hereby confirmed and it is hereby determined that the amount that should be paid as benefits therefor is the sum of Ten Thousand Two Hundred Ninety-four Dollars and Thirty-eight Cents (\$10,294.38) and the amount to be paid by the city at large is the sum of One Thousand Three Hundred Forty-seven Dollars and Sixty-two Cents (\$1,347.62) or so much thereof as may be necessary to pay the cost of such improvement.

12. His Honor the Mayor presented the following communication:

To the Honorable Members of the Common Council of the City of Racine.

Gentlemen:

Whereas, A communication was filed with your body on the 7th day of October, 1913, alleging on information and belief that Ald. Nielson had, during the four months prior to October 7, 1913, made statements to citizens of the City of Racine "that there was corruption and graft in the City Council and government of our city in connection with the purchase of the fire trucks; and that certain aldermen or city officials were guilty of such corrupt practices";

Therefore I, Walter S. Goodland, Mayor of the City of Racine, being charged and instructed by the Common Council, as Committee of the Whole, so to do, hereby charge, upon information, that N. P. Nielson, alderman of the Ninth ward of the City of Racine, did, during the four months immediately prior to the 7th day of October, 1913, and while he was a member of the Common Council of the City of Racine, make the following statement to citizens of the City of Racine other than Elwyn R. Moak, to-wit: "that there was corruption and graft in the City Council and government of our city in connection with the purchase of said fire trucks; and that certain aldermen or city officials were guilty of such corrupt practices."

I further request that Your Honorable Body set a time for hearing such charge and cause reasonable notice to be given to Ald. Nielson of the time

and place when such hearing will be had on such charge.

Dated this 21st day of October, A. D. 1913.

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Hanson.

21. The Park Board presented the following communication:

To the Honorable Mayor and Members of the Common Council:

Gentlemen:—

In accordance with your request, we have compiled a budget which tabulates and defines our estimated expenditures for the year ending December 31, 1914. We have taken the present year as a basis, and have then estimated the additional amount which will be needed for the maintenance of new parks which have been more or less completed during the year.

The maintenance for the park system for the year 1913, has been \$17,000.00, but since then, Washington park has been developed, and our lawn area for 1914 will be double that of 1913. We have plowed Cedar Bend park, which is twelve acres in extent, and which will be seeded in

the spring, and which will give us twelve acres more of lawn to maintain.

We have had a number of urgent requests for ball grounds, and a large number of complaints because we have not provided enough baseball diamonds to meet the needs of a Factory league, and other organizations promoting baseball in our city. We, therefore, feel it rather obligatory upon us to provide at least two more diamonds during the spring and early summer of 1914, which we will construct at Cedar Bend park. Due to these facts, our maintenance with the strictest economy cannot be less than \$25,000.

IMPROVEMENTS.

The improvements for next year embodies a number of bills which are outstanding, due to the fact that the work has not been completed, and these bills have been pending the completion of various jobs, and also moneys which will be due next April on pavements. This money has been held as a guarantee of good work. There will be more paving necessary to complete Riverside Park Drive to Twelfth street, which will cost at least \$2,500. The completion of Washington park lawns and walks which are already under way, will cost about \$2,500. Aside from this, the usefulness of Washington park woods has been largely impaired, due to the fact that no shelter building, with comfort stations, have been provided for the picnickers who go to Washington park every year to hold their annual picnic. In order to place this beautiful grove in a condition so that it will better meet the needs of our citizens, a shelter building costing \$2,000 is absolutely necessary.

The golf links is steadily growing in popularity and repeated requests have been made to have the Board of Park Commissioners construct a shelter building for the protection and comfort of the people who wish to

go to Washington park to enjoy this game. This building, built along simple lines, and in keeping with the park features, would demand an expenditure of \$3,000, assuming that the Board of Park Commissioners built their own buildings. We have adopted this policy and feel that we can save the city of Racine at least twenty-five per cent on the cost of these improvements. Our past experience has demonstrated this, and we shall continue to follow this policy.

We have been compelled to vacate our barn which we have been using for the past five years, and we deemed it advisable to build a barn that would meet our needs for many years to come. We will have this barn completed some time before January, and while we have taken care of all of the expenses on this barn as they have come along, yet there are a few outstanding bills for material which we will have to meet as soon as the work is completed, which will amount to approximately \$1,500.

The walks in Horlick park must be re-surfaced next year. Some of these walks have been built now for four or five years, and the stone is beginning to appear through the surface, which makes the walks very disagreeable to walk upon, and must receive some attention next year. I have estimated that this work will cost about \$1,000.

Riverside park lighting system must be installed next spring, as the Riverside drive has been completed, and there is more or less traffic over this drive during the night, and without lights, the drive, and especially the Riverside hill, is very dangerous, as there are some bad curves. This installation will cost us from \$1,500 to \$2,000. We shall make our own posts, and make our own installation.

There are a number of retaining walls along the river which should be built to protect the trees along the banks, which should receive some

early attention. The amount of work of this character which we shall be able to undertake will depend entirely upon the appropriation which shall be made to meet these demands.

Assuming that the assessed valuation of the city when fully determined should be approximately \$45,000,000, our one mill tax will give us \$45,000, of which we shall be compelled to spend \$25,000 for maintenance alone, and leaving only \$20,000 for improvements of every description. This will mean of course, that there will be some things which will have to go over until another year, unless the Common Council can make the appropriation large enough to carry on some of the improvements which are waiting for funds to be provided.

Among these improvements is a new bath house. The condition of our bathing beach does not approach or approximate a bath house which the city of Racine should have. The city of Madison has three or four bathing beaches fitted up with fine bath houses, and any one or all of their bath houses are a credit to their city. We have prepared tentative sketches for a bath house with sanitary plumbing, the estimate of which approximates \$5,000. If the appropriation could be enlarged sufficient to meet these improvements, I know we would be able to render better service, and would draw a larger number of people to our bathing beach.

A number of citizens have called the attention of the Board of Park Commissioners to that valley of low land located just east of Washington park. This low land comprises about nineteen acres, and makes a logical addition to Washington park. If this piece of property should be platted, due to the location and its low level, it would have a tendency to mar the whole neighborhood. With the acquisition of this piece of property which runs as far east as the

east line of the Howell school, it would be possible to extend Washington park as far east as this line, and would have an influence on the whole neighborhood for a long distance in every direction. It would be possible to have a boulevard connection from Washington avenue north to Twelfth street. And I wish to suggest that the Board of Park Commissioners know that they can purchase this piece of property for park purposes at a remarkably low figure, and we would ask that you make an appropriation, at least \$2,500 per annum, for four consecutive years, which would amount to \$10,000. We have secured an option from Mr. Alfred Erskine on this property for \$10,000. This option expires January 15, 1914. We would ask that you give this matter immediate consideration, as it is quite likely that the owners of this property shall dispose of it in the near future, and the "Golden Opportunity" may be forever lost to the city.

Your Board of Park Commissioners would like to ask that Liberty street be designated as a boulevard from Lafayette avenue west to Horlick park. If this can be done immediately, we could set grade stakes this fall, and could plant six inch elm trees along the park-way during the coming winter.

For your convenience we have made a recapitulation of all the expenditures which must be met during the year 1914, under two heads. Under active work we have tabulated expenses which must be met, which comprises maintenance, and work already started, and which must go forward or heavy loss would result. Under needed improvements we have tabulated those items which are vital, and which are badly needed to meet the present day emergencies. Improvements which would render a service which is being daily demanded of the Board of Park Commissioners, and which we feel should not

be delayed. There are many improvements which are urgent but upon which we cannot press matters, for we feel we must build our park system gradually, and wish each year to bear its logical amount of the expense. But in this connection we would like to suggest a Park Improvement Bond Issue. The improvement of parks and boulevards and playgrounds add very materially to the assets of a city. They increase the valuation of property, and thus return to the city in annual taxes, a large amount of the money which was originally spent.

We cannot overlook the importance of the North shore beach. As fast as possible this beach should be acquired. It will never cost less than it can be purchased for at the present time, but on the contrary, is steadily increasing in price. But in a larger measure, if we are going to avail ourselves of the North shore possibilities, it means that we have got to do more than acquire that narrow strip of beach land between North Michigan street and the lake. This is extremely important, and will make an extremely scenic drive which will eventually continue to Wind Point. A larger park area is demanded for the north side. It is quite a distance to go from the north side to Horlick, Riverside, or Washington parks, and this alone obligates the city to provide park and recreation facilities in the northern section of our city. But there is another reason, and one which is just as important, even more so, why a rather large tract of land should be secured for park purposes. The influence which a park in a neighborhood exerts is positive and specific. It changes the whole complexion of the neighborhood, and directs and determines the quality of improvements which follow, automatically. It creates fine residential districts, and it is the experience of every city that their park improvements have done

more to develop their city along proper lines than any other department connected with the municipal government, and we therefore feel that a tract of land at least forty acres in extent should be acquired on the north side. The Board of Park Commissioners stand ready to co-operate with, and assist any endeavor which is made along these lines, and we would recommend that an endeavor

be made to secure options on some property on the north side, and that a sufficient appropriation be made to cover the expense of these options, and we would ask that you give us some expression as to going ahead and securing options on north side property, and subsequently laying the matter before you for your consideration, before any purchase or any contracts have been made.

OFFICIAL JOURNAL

W. S. GOODLAND, Mayor

CHAS. A. RYBA City Clerk

RACINE, WIS., NOV. 24, 1913

CITY COUNCIL CHAMBER.

Racine, Wis., Nov. 24, 1913.

At an adjourned meeting of the Common Council held this Monday evening, His Honor, Mayor Goodland presided and Aldermen Bell, Dooley, Erickson, Evans, Hanson, Jensen, Kannenberg, Lane, Liegler, Miller, Nielsen, Pfister and Simonson were present at roll call.

On motion of Ald. Dooley the minutes of the preceding meeting were approved as printed.

1. A petition signed by John L. Krenzke and about 12 others asking that a sewer be constructed on N. St. Clair St. between Gould St. and Walton Ave., was presented.

Same was received, filed and referred to the Street Committee, City Engineer and Ald. 7th Ward, on motion of Ald. Miller.

2. A communication signed by Dabnian and Dadian asking permission to connect their building with the sewers in West St. and Geneva St., was presented.

Same was received, filed and referred to the Street Committee, Engineer and Ald. 5th Ward, on motion of Ald. Dooley.

3. A petition signed by Chas. Morgan and about 13 others asking that Ninth St. be graded from Herrick Ave. west to the west line of Gittings Cedar Bend Sub., was presented.

Same was received, filed and referred to the Street Committee and

City Engineer on motion of Ald. Lane.

4. An option running from Mrs. Barbara Porn to the city of Racine on a portion of her property east of Michigan St. between English St. and Yout St., for park purposes at the price of \$12.00 per front foot, expiring April 1, 1914, was presented.

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Miller.

5. His Honor the Mayor presented the following message:

Racine, Wis., Nov. 19, 1913.

To the Honorable Members of the Common Council:

Gentlemen: After careful consideration of the facts and circumstances leading up to and following the application of Carl Burmeister for a retail liquor license at 1723 Sixteenth St., I feel it to be my duty, and in the best interests of the city, to veto your action granting said license taken at your meeting, Tuesday, Nov. 18, 1913, and I do hereby veto the same.

My reasons for this veto are: First, that there is a very large majority of the property owners in that neighborhood who are opposed to granting said license. The petition of these property owners is on record and before you. I do not believe it be just or good policy to force a saloon in a neighborhood that is almost unanimously opposed to it, as in this instance.

I wish to call your attention to the fact also that, when the application

for this license was filed, it did not have the signatures of a sufficient number of property owners required by the ordinance governing the same.

These signatures were not secured until just a few hours previous to the time you took action granting the license. There was a lot of juggling of titles and transfers of realty necessary to secure a legal basis, upon which to sustain the application. The requirements of the ordinance are clear on this point, and I believe that applicants for liquor licenses should be forced to create a proper basis for their application before it is submitted to the council.

I wish also to emphatically protest against the manner in which aldermen, who opposed the granting of this license, have been criticised and attacked. These aldermen acted conscientiously and are entitled to respectful treatment. One of them represents the adjoining ward in which said saloon was to be located and in opposing the granting of the license represented the desires of his constituents.

Each member of this council should be perfectly free at all times to act as his duty dictates and his opinion should be respected and his motives not be unjustly questioned.

Respectfully submitted,

W. S. Goodland,

Mayor.

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Hansen.

6. Atty. Fulton Thompson appeared for James Corse asking that they be allowed one-half of the 20 per cent held in reserve on the construction of the garbage incinerator.

ALD. LANE moved that the petition be not granted.

Carried.

7. BY ALD. PFISTER, who moved that the rules be suspended and the resolution adopted:

Resolved, That the Board of Public Works be and they are hereby authorized to have iron bars put on the two rear lower windows in the City Hall.

Rules suspended by the following vote:

Ayes — Bell, Dooley, Erickson, Evans Hanson, Jensen, Kannenberg, Lane, Liegler, Miller, Nielsen, Pfister and Simonson.—13. Noes—0.

8. BY ALD. DOOLEY, who moved that the rules be suspended and the resolution adopted:

Resolved, That the City Clerk be and he is hereby instructed to enter an amount on the tax roll sufficient to produce a six mill city tax.

Resolution adopted by the following vote:

Ayes — Bell, Dooley, Erickson, Evans, Hanson, Jensen, Kannenberg, Lane, Liegler, Miller, Nielsen, Pfister and Simonson.—13. Noes—0.

9. The following ordinance was introduced and received its first and second readings:

AN ORDINANCE TO PROVIDE FOR THE VACATION OF A PORTION OF SECOND ST. IN THE CITY OF RACINE, WISCONSIN.

The Common Council of the city of Racine, Wis., do ordain, as follows:

Section 1. Whereas, A petition has been presented to the Common Council of Racine, Wisconsin, asking for the vacation of a portion of Second St. in said city; and

Whereas, Said petition is signed by the owners of all of the property adjoining that portion of Second St. asked to be vacated and by two-thirds of the owners of lots of land on the remainder of Second St.;

Therefore, It is hereby ordained that the following described portion

of said Second St. to wit:—Begin at a point in the south line of said Second Street in said City of Racine Wis., one hundred sixty-eight (168) feet east of the east line of Lake Ave.; run thence east along the south line of said Second St. two hundred thirty-five (235) feet; thence north to the north line of said Second St.; thence west along the north line of said Second St. two hundred thirty-five (235) feet; thence south to the south line of said Second St.; be and the same is hereby vacated.

Section 2. This ordinance shall take effect and be in force and effect from and after the date of its passage and publication.

Passed by the Common Council—

Approved.....

Attest—

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Jensen.

Council adjourned on motion of Ald. Jensen.

Same was received, filed and referred to the Committee of the Whole on motion of Ald. Evans.

4. TO THE HON. MAYOR AND COMMON COUNCIL,
Racine, Wis.
Gentlemen:

Chapter XIV of the City Charter requires that the Board of Education shall make an estimate of the expenses of the public schools for the ensuing year and certify the same to the City Clerk before the first day of March each year, including all necessary incidental expense and the amounts thereof.

BUDGET PROVIDING NECESSARY FUNDS TO JAN. 1, 1916.

The total revenue of the Board for school purposes from Jan. 1, 1913. to Jan. 1, 1914, were as follows:

City tax	\$129,804.81
County tax	31,440.00

Janitors' Salaries	12,984.05
Bull School Building	140.65
Fratt School Building	2,935.00
School Nurse's Salary	600.00

Total\$220,220.48

This creates a deficit in the school fund on Jan. 1, 1914, of \$7,470.62.

Before Jan. 1, 1915, when the revenues of the next fiscal year will be available, the revenues of this department will be approximately as follows:

State Tax	\$ 32,000.00
City Tax	172,721.45
County Tax	32,500.00
State Aid (Manual Train-ing)	350.00
State Aid (Domestic Sci-ence)	350.00
Tuition	2,000.00

Total\$239,921.45
Deficit Jan. 1, 1914 7,470.62

\$232,450.83
Unpaid bills held on ac-count of deficit to be paid in 1914, about 2,000.00

Which leaves\$230,450.83
Expenses of the same period, or to

Jan. 1, 1915, will be approximately as follows:

Apparatus	\$ 700.00
Books	750.00
Contingent	3,500.00
Domestic Science	2,400.00
Exceptional School	600.00

Janitors' Salaries	14,500.00
Lighting	800.00
Manual Training	4,200.00
Printing	600.00
Repairs	9,500.00
Supplies	3,500.00
Supt. and Secy. Salaries...	5,500.00
Salaries of Attend. Officer and Visiting Nurse.....	2,100.00
School Ground Improve- ments	800.00
School Clerks' Salaries....	900.00
Summer Playground Work	500.00
Teachers' Salaries	156,000.00

Total\$222,250.00

This will leave an estimated balance of \$8,200.83 in the school fund on Jan. 1, 1915.

To provide for the current expenses of school from Jan. 1, 1915, to Jan. 1, 1916, this committee, from careful comparison and conservative estimates, would name the following amounts:

Apparatus	\$ 900.00
Books	750.00
Contingent	4,100.00
Domestic Science	4,550.00
Exceptional Schools	600.00
Fuel	10,500.00
Furniture	1,500.00
Furniture, Bull School....	4,000.00
H. S. Laboratory	400.00
H. S. Library	200.00
Improvements	4,000.00
Janitors' Salaries	15,500.00
Lighting	1,000.00
Manual Training	5,500.00
Printing	600.00

Repairs	9,500.00
Supplies	3,700.00
Supt. and Secy. Salaries...	5,800.00
Salaries of Attend. Officer and Visiting Nurse	2,300.00
School Ground Improve- ments	900.00
Teachers' Salaries	172,700.00
Summer Playground Work	500.00
Total	\$249,500.00

To meet the above expenditures we expect to receive the following revenues:

State Tax	\$ 32,000.00
County Tax	32,000.00
State Aid (Manual Train- ing and Domestic Sci- ence)	700.00
Tuition	2,000.00
Total	\$ 66,700.00
Plus approximate bal. Jan. 1, 1915	8,200.83
	\$ 74,900.83

We would therefore respectfully petition your Honorable Body to provide the sum of \$174,599.17. The expenditures for the Deaf and Blind Schools, book rental, book sales and merchandise will be covered by state aid, direct collections and school receipts. Therefore these items have been omitted from the above estimated budget with a view of simplifying same.

Respectfully submitted,

J. W. JONES,

W. J. HARVEY,

W. R. GITTINGS,

Committee on Finance.

Per J. J. M.

16. The City Engineer presented the following communication:

TO THE HONORABLE MAYOR
AND MEMBERS OF THE COMMON COUNCIL.

Gentlemen:

The question of the collection of garbage in our city is assuming greater proportions than was expected. During the month of February there was collected and consumed approxi-

mately 192 tons or 8 tons per day. The amount of garbage collected is increasing each day as the people are getting better acquainted with the rules and regulations, and it is practically impossible to cover the city once a week in the residence districts, and twice a week in the business centers with the three wagons which we now have. As the weather gets warmer the amount of garbage will increase and if we wish to carry out the terms of the ordinance for the months of June, July, August, and September, we will have to have at least double the collecting capacity which we now have. I would therefore recommend that your honorable body purchase at least three more wagons as soon as possible. The collection and disposal of garbage in our city is going to become very soon a very large problem, in fact too large for the Board of Public Works to handle in connection with their other work, and I would therefore recommend that the ordinance be amended so as to remove the same from under the supervision of the Board, and be established as a separate department.

Respectfully submitted,

P. H. CONNOLLY,

Pres. Board of Public Works.
